

Kelly Wallant, Full Stack Developer

Miami, United States, 879895515, kelly@wallant.example.com

PROFILE

As an accomplished Full Stack Developer boasting over 5 years of experience, I relish the opportunity to build cutting-edge web applications that engage users and drive results. My most notable achievement to date is the successful delivery of a comprehensive SaaS platform, increasing user retention by 35% and attracting a 20% surge in new subscribers. By blending my expertise in front-end and back-end technologies, I am dedicated to producing powerful, user-centric solutions that contribute to the growth and success of any project.

EMPLOYMENT HISTORY

2016 — 2018

Front-end Developer, PixelPerfect Studios

Masterfully crafted visually stunning user interfaces, contributing to a 25% boost in client satisfaction scores.

2018 — 2020

Back-end Developer, CloudTech Solutions

Streamlined server-side code and database management, resulting in a 30% improvement in web application performance metrics.

2020 — 2023

Lead Full Stack Developer, SaaS Innovations

Spearheaded the design and implementation of a groundbreaking SaaS platform, enhancing user retention by 35% and garnering a 20% increase in new subscribers.

EDUCATION

2012 — 2016

Bachelor of Science in Software Engineering, TechPioneer University

Graduated Magna Cum Laude and received the Best Web Development Project Award for a full-stack application.
